Muninn Modular wasn't built
to make another gun case.

It was built to create the
most refined modular
storage system ever
produced.

The “Raven Wing” Founder's
Edition is where that story
begins.

WHY MUNINN?

In Norse mythology, Muninn represents memory.

Along with Huginn (Thought), Odin's ravens traveled the world each day, returning with knowledge, wisdom, and experience.

We built Muninn Modular with that same belief - everything has a place, and nothing should be left to chance.

INTELLIGENT DESIGN

Purpose built solutions for how you carry and protect.

PRECISION ENGINEERED

Every detail considered.
Every fit intentional.

LEGENDARY DURABILITY

Built to protect what matters most.
For a lifetime.

HELP BUILD WHAT'S NEXT

The first 250 Founder's Edition cases will fund the next phase of Munnin Modular and the Future of our modular system.
